Agenda for 2016 NIST GA Annual Meeting

1. 2015 Awards
2. Treasurer's Report
3. Scorekeeper's Report
4. Update from Poolesville
5. Nominations/Election of Officers
6. Volunteers for outing/prize committee
7. Proposed Start Date (options: 3/30, 4/6, 4/13)
8. Bylaws and Proposed Rules Changes
 - I. Use seasonal or week #20 handicaps for individual or team play? Right now we use seasonal (based on best N rounds in the entire season, N = truncate (total rounds played / 2) for team playoffs, but regular old "best 4 of last 8" for individual. (Cugini)
 - II. If a foursome arrives at a hole and the foursome ahead of them is no longer on the hole, they are to hit their tee shots, proceed to their tee shots and are **required to** allow the foursome behind them to play through if the foursome behind them has left the preceding green. Failure to yield will result in being relegated to the last tee time for the remainder of the season.
 - III. All matches will be timed. Each foursome is required to provide the time when the first member of their foursome tees off on the first hole and the time when the last member of the foursome holes out on the last hole to the designated timekeeper.
 - IV. The league will consist of 4 divisions. Each team will specify whether their team can play 9 holes in 2 hours and 15 minutes. Those who can will be placed in the A and B divisions. Those who can't will be placed in the C and D divisions. Further division of teams in the A/B and C/D will be by team handicap. All matches will be timed. Each foursome is required to provide the time when the first member of their foursome tees off on the first hole and the time when the last member of the foursome holes out on the last hole to the designated timekeeper. At the midway point of the season, teams will be reseeded based on actual pace of play statistics accumulated over the first half of the season.
